20th June 2011

Dear Parents,

Important Notice – Strike Action – 30th June 2011

As you may be aware the NUT (National Union of Teachers) has called for a day of industrial action on Thursday 30th June 2011. This will mean that members of this union, who choose to do so, will take strike action on that day. It is the policy of most unions that their members should not cover work that is normally carried out by someone who is taking strike action. Therefore, if a teacher takes strike action we should not cover their class. At Elsecar our teachers are members of the NUT.

The effect of this in our school will be that on Thursday 30th June school will be **closed** for all pupils and they will **not** have to attend.

The visit to Scarborough for Mrs Varley's class and Mr Gamage's class which was due to take place on that date has been re-arranged for Thursday 21st July.

Yours faithfully,

D.Horner
